1. GREEN CAP REPLENISHMENT KIT CONTENTS:

- a. 1 x 20 litre drum of Surfzyme® HD
- b. 1 x Surfzyme® Microbial Gel Capsules

NOTE: All MSDS sheets can be obtained from www.zymo.com

Product Designation	Registration Number	Category Code
SURFZYME HD	139476	A1
Surfzyme Microbial Gel Capsule	138958	AX

STEP 1: ADD 20 LITRES OF SURFZYME® HD OR AS NEEDED.

STEP 2: ADD ONE MICROBIAL GEL CAPSULE PER 20 LITRES:

Drop the Surfzyme Microbial Capsule found under the cap of the 20 litre drum of Surfzyme® HD in to the base of the filter or cleaning chemical – the capsule will dissolve over time releasing the microbes to continue the bioremediation process.

2. HOW LONG CAN I STORE SURFZYME® PRODUCTS?

The Surfzyme® HD cleaner and microbial gel capsules can be stored for up to 1-year without deterioration in the product.
